## NEW PATTERNS, 1879.

DEAR SIR :—

I herewith hand you my new book for 1879, containing many new patterns, both in frame and carpet, Body and Wilton.

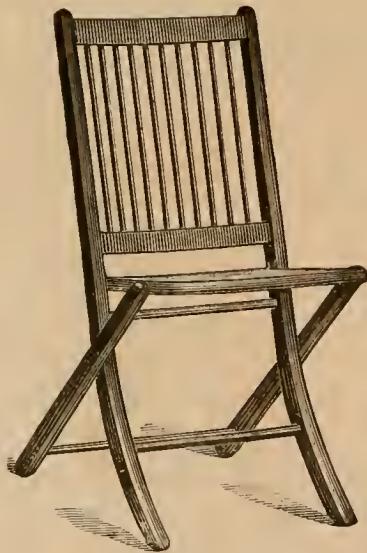

Especial attention is called to the variety of folding Rockers wh<sup>ch</sup> I here offer.

Should you favor me with your orders, no pains shall be spared to attend properly to your wishes. Where parties are unknown they would facilitate the filling of an order by sending reference. Small orders by mail from strangers would be filled much quicker by enclosing check or post-office order for the amount, because I cannot fill orders unless I am satisfied as to a party's credit or the cash.

Goods delivered at depot in Boston only; purchasers assuming all risk thereafter.
